

# THE 20TH TORTOISE & FRESHWATER TURTLE FIELD SKILLS TRAINING COURSE - VIETNAM

ORGANIZED BY THE ASIAN TURTLE PROGRAM (ATP) OF INDO-MYANMAR CONSERVATION (IMC) IN COLLABORATION WITH THE TURTLE CONSERVATION PROGRAM - CUC PHUONG NATIONAL PARK.

## TIME & LOCATION

09/05/2025-18/05/2025

Cuc Phuong National Park,  
Nho Quan, Ninh Binh,  
Vietnam

## WHO CAN APPLY?

We strongly encourage applications from Vietnamese students, young national biologists, rangers and conservationists. Many modules of the course are taught in Vietnamese language only.

## COURSE OBJECTIVES

- Obtain new research skills for field work, including surveying, proper handling and data collection on tortoises and freshwater turtles.
- Gain in-depth knowledge of turtle biology, behaviour and ecology.
- Learn about the identification and conservation status of tortoises and freshwater turtles in Vietnam.
- Have a chance to design and complete a short research project during 2025, following course completion.

## COURSE FEE

ATP/IMC will cover course fees, including materials, food, accommodation, and reasonable transport costs for course participants

## HOW TO APPLY

Applicants should fill out an online application form via the link:  
In English: <https://byvn.net/AWNI>

**Only shortlisted applicants will be notified.**
